## EXPERIENCE

### Thrive Internet Marketing Agency | Park Springs Blvd, Ste 100, Arlington, TX 76017 — Full Stack Developer (Remote)

Dec 2023 - PRESENT

- Developed and maintained dynamic web applications using PHP, MySQL, and JavaScript, ensuring high performance and responsiveness to user interactions.
- Collaborated with front-end and back-end developers to integrate user-facing elements with server-side logic, ensuring seamless functionality across the application.
- Designed and implemented RESTful APIs to facilitate communication between different software systems, improving data exchange and application integration.
- Optimized database queries and performance by analyzing and restructuring complex SQL queries, resulting in faster page load times and efficient data handling.
- Troubleshooted and debugged complex issues in production environments, quickly identifying root causes and deploying fixes to minimize downtime.

### Global AI Hub | Maslak Mah. Büyükdere Cad. Uso Center Blok No:245 İç Kapı No : 56 Sarıyer / İstanbul — Full Stack Developer (Remote)

Sep 2021 - May 2023

- Developed and maintained dynamic web applications using PHP, WordPress, JavaScript, HTML5, and CSS3, ensuring cross-browser compatibility and responsive design.
- Developed custom plugins and themes for WordPress, tailoring CMS solutions to client requirements and ensuring scalability.
- Managed version control using Git, maintaining code repositories, branching, and merging processes to ensure smooth development workflows.
- Agile Methodologies: Participated in Agile development processes, including sprint planning, daily stand-ups, and retrospectives, contributing to continuous improvement and team collaboration.

### Acodez IT Solutions Pvt. Ltd | Calicut, Kerala, India — WordPress Plugin Developer (Remote)

Nov 2018 - Sep 2021

- Developed and maintained custom WordPress plugins to enhance website functionality, ensuring seamless integration with core WordPress features and third-party APIs.
- Collaborated with cross-functional teams to gather requirements and translate business needs into technical solutions within plugins.
- Provided ongoing support and troubleshooting for plugins, addressing bugs, conflicts, and compatibility issues with various themes and other plugins.
- Implemented localization and translation capabilities within plugins to support multi-language websites, ensuring compatibility with translation plugins like WPML or TranslatePress.
